2201 Washington St Roxbury, MA

FOOD TO MAKE YOU FEEL YOUR BEST...
WHOLESOME FOOD THAT YOU CAN AFFORD!

EBT

What is Daily Table?

Daily Table is an innovative retail grocery store that offers **fresh produce and grocery items as well as ready-to-cook and grab-n-go prepared meals** at truly affordable prices. Our first store is in Codman Square/Four Corners Dorchester and our second location will be in the Dudley Square neighborhood.

Our Food

We want to be part of the food shopping experience for residents and offer healthy food and meal options priced to compete with the fast-food and cheap calorie alternatives in the neighborhood. **Shoppers can find three meals and a snack for \$7 or less!**

Why Roxbury?

The challenge in Roxbury, like many neighborhoods in the Greater Boston area, is access to affordable and nutritious food and prepared meals, which is the basis of a daily diet. Roxbury experiences a higher rate of poverty than the City of Boston overall, leading to higher rates of diet-related illnesses than in the city of Boston as a whole. For example, **diabetes occurs in Roxbury and Boston at 11% and 6%.**

Job Creation

Currently, **75%** of employees live within a two-mile radius of our Dorchester store. Our goal is to create **12 new jobs** that will be filled by local Roxbury residents.

Our Customers

At Daily Table - **everyone is welcome to shop, especially SNAP and EBT card users.** By working with community agencies and organizations, our hope is to target economically challenged individuals who are looking to make their food shopping dollars go further.

Store Opening & Hours

Unfortunately, we've had a few construction delays that have pushed back our open date. We will be ready to serve customers **seven days a week, Mon - Sat 9am to 8pm and Sunday 11am to 7pm in the Fall.**
