

# About The OIC

OIC, a nonprofit agency specializing in job training for disadvantaged communities across the nation, operated its Greater Boston training facility inside of Hibernian Hall from April 1968 until the doors closed in the early 1980s.

The OIC's skeleton key logo promised "To Open Any Door," and its programming opened doors for participants with Allstate, IBM, and other local businesses. Trainees received instruction in auto repair, keypunch, electrical, and other entry-level skills.

In 2020, MPDC will kick-off its first Pilot Construction Workforce Program, **Train 2 Trades**, in partnership with Madison Park Vocational Technical High School, mirroring the OIC model from the 60s.

## 2020 Sponsorship Opportunities

**Saturday,  
April 18, 2020  
3 pm to 7 pm**

**Hibernian Hall | 184 Dudley Street, Roxbury, MA**

# Dear Friends and Supporters,

**Madison Park Development Corporation (MPDC)**, in collaboration with **Opportunities Industrialization Center – Rhode Island (OIC)**, welcome alumni and friends back to Hibernian Hall for the OIC Greater Boston Reunion celebration on April 18th from 3 to 7 pm.

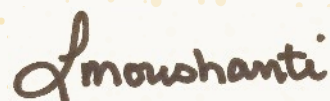

In the spirit of OIC and what it meant to Greater Boston's equal employment opportunities, MPDC will honor two community champions. These individuals have been identified as inspired visionaries whose work continuously exemplifies the motto "helping people help themselves." MPDC and the hosting committee will present **The Chuck Turner Visionary Award** to Greg Mumford of Youth Build-Boston and Kenell Broomstein, IBEW.

**Greg Mumford**, Deputy Director – YouthBuild Boston, has been a permanent fixture in the Roxbury community for over twenty years. We wish to honor Mr. Mumford for his tireless commitment to serving Greater Boston's opportunity youth. As a mentor, he played a vital role in the revitalization of an abandoned Roxbury fire station, converting it to the Youth Build Boston headquarters constructed by its youth student crews.

**Kenell Broomstein** is the first female of color business agent for IBEW Local 103. Having earned her Journeyman Electrician designation in 2006, Ms. Broomstein has been steadfast recruiting and educating women across the Commonwealth about opportunities in the building trades ever since. In her role as Business Agent, she models the success for other young women to follow.

Our honorees' efforts continue to empower people of color throughout the Commonwealth and provide opportunities for personal and professional advancement.

**Please join us on Saturday, April 18, 2020 for this historic event!**

Lisa Morishanti  
Chair, MPDC Board of Directors
