

## **Audio Visual Technician Engineer**

### **About Us:**

Hibernian Hall is re-opening and we are seeking new event staff members. Hibernian Hall is a versatile facility with a grand ballroom and a separate meeting room. We make Hibernian Hall available as a flexible space for stage productions, artists' showcases, film screenings, and cultural celebrations. The ballroom is available for community presentations in music, dance, theater, film/video, and spoken-word performance art. In its third-floor setting, the historic ballroom has 3,600 square feet of useable space and retains its original architecture of high ceilings, hardwood flooring, and ten arched windows that offer a panoramic view of Boston's skyline. Amenities include a dressing room, adaptable staging and seating platforms, audio/visual equipment, Wi-Fi access, and window shades that can be opened and closed with the touch of a button. You will find that Hibernian Hall is a true gem in the heart of Roxbury.

### **Job Description:**

The Audio Visual Tech Engineer serves as a team member in the logistical management of events, productions, and meetings. The primary responsibilities include operating of sound, lights, projections, cameras and/ or planned production effects. In addition to managing equipment, A/V Tech Engineers may assist with stage building, set-up and breakdown of used equipment. The A/V Tech may also support MPDC events outside of the Hibernian Hall venue. A/V Tech Engineer reports, and is directed by the Technical Director.

Qualifications include:

- Relevant Audio, lighting, and/ or cameras experience
- Ability to work both independently and collaboratively
- The ability to lift 50 pounds regularly
- Associates degree in related area is desired, or substitute three years of relevant A/V experience
- Organizational Skills
- Well versed and confident using ladders and lifts
- Microsoft Office, Zoom, social media and computer skills

Madison Park Development Corp. (MPDC) anticipates that training sessions for Hibernian Hall re-opening will be held in early September. **Complete job description will be provided at interview.** All candidates must have legal authorization to work in the U.S. for any employer, and employment is contingent on an acceptable CORI background check. **Applicants must be able to regularly lift, carry and move objects weighing up to 50 pounds.**
